George Washington Presidential Car Road Number 1789-1797

This 40' standard box car with plug door and no roofwalk is car #1 of a 44-car series representing each of the presidents of the United States. It bears the portrait of our first president, George Washington. George Washington was one of the originators of the Constitutional convention in 1787 and from that came the US Constitution and his election as our first President in 1789.

#074 00 101...\$23.95

Great Northern Road Numbers GN 75556 / 75622

These 40' drop-bottom gondolas are painted mineral red with white 'Great Northern' logo and lettering. They were built in July 1937, serviced in 1948, and run on Bettendorf trucks. This early paint scheme using gothic sans serif lettering was applied to new freight cars until 1956, and rebuilt cars through the 1970s; in 1956 the slant serif lettering was used on new cars.

NEW PULPWOOD LOADS

#083 00 051...\$19.45
#083 00 052...\$19.45

Kansas City Southern Road Number KCS 400

This 50' standard box car with single door is painted black with white lettering and red and yellow bands. It was built in October 1941 by Pullman-Standard, serviced in March 1948, and runs on Allied Full Cushion trucks. Originally numbered into series 25100-25288, KCS 400 is one of four cars converted into express box cars by KCS in 1948. These cars were equipped with special racks for loading Chevrolet front axels.

#031 00 370...\$28.25

CASCO Road Number CGTX 17116

This 56' general service tank car is painted black with large white and red CASCO logo and white lettering. It was built in May 1984 and runs on Barber[®] Roller Bearing trucks. Owned by GATX Rail Canada, a Canadian affiliate of General Tank Car Co., CGTX 17116 was one of a 25-car series leased by Casco for transporting corn syrup. Casco Inc. is one of Canada's principal producers and suppliers of high-quality food ingredients and industrial products.

#110 00 110...\$23.65

Chesapeake & Ohio[®] Road Number C&O 21494

This 50' standard box car with single door wears two of the experimental point schemes, each side painted C&O dark blue with 3" and 31" yellow bands each on a different side along the bottom. The left side bears the Chessie kitten emblem; the right side carries the C&O logo. The car is lettered in blue on yellow and yellow on blue. This car, sixth of six in the 'Cameo Car Series,' was built in May 1956 by Pullman Standard and runs on Roller Bearing trucks. All of the Cameo Series car designs feature varying widths of Yellow striping along with monograms and the recently adopted "Futura Demi-Bold" font.

Chicago & North Western®
Road Numbers CNW 51656 / 51772

These 50' standard box cars with single Youngstown doors are painted box car red with large, white "Route of the 400" and "The Streamliners" and white lettering. Built in May of 1957 by Mt. Vernon Car Manufacturing Company, they run on black Bettendorf trucks. The well known "Ball and Bell" emblem of the C&NW first appeared in 1885. During the 1940s it initiated the famous "400's", named so because in 1935, C&NW had an advertisement that said: "From Chicago to Twin Cities (Minneapolis, St. Paul), Not more than 400 miles, Not more than 400 Minutes!!!", make the 400 a well-known C&NW trademark.
