April 2010

Chicago, Burlington & Quincy Road Number CB&Q 61417

This 40' standard box car with single door and no roofwalk is painted gold with red, black and white Burlington Route logo. Lettering is in black and it runs on black Bettendorf trucks. In 1966, the CB&Q was awarded the Railway Progress Institute's "Golden Freight Car Award" for promotion of railroad freight traffic. At the time, the Q's Havelock, Nebraska shop was rebuilding class XM-32 boxcars, so to commemorate the award, the railroad painted one day's output (eight cars) in this scheme.

#024 00 250...\$16.70

Southern Pacific[®] Road Numbers SP 151264 / 151273

These 40' drop bottom gondolas are painted brown and display the black & white 'Southern Pacific Lines' herald and white 'SP' in Roman style lettering. Stencil lettering is white and it runs on brown Bettendorf trucks. The Bethlehem Steel Company built this group of class G-50-22 drop bottom gondolas in the fall of 1948 and early 1949. They were delivered new to Southern Pacific and numbered into series #151000-152649. The gondolas have the "improved" dreadnaught ends and Miner brakewheel.

Koppers Company Road Numbers KPCX 2105

This black 39' single dome tank car carries the "KOPPERS" red, black & white logo and runs on black Bettendorf trucks. Lettering is in white, with orange reporting marks and road number. It was used by Koppers to haul coal tar and comes from series 2100-2129. Built during the 40s it is non-pressurized, has a capacity weight of 80,000 lbs and carries a gallon capacity of 8,000.

#065 00 670...\$21.40

Pennsylvania Railroad Road Number PRR 85940

This 40' standard box car with single door and no roofwalk is painted freight car red with white logo and lettering and runs on black Bettendorf trucks. It was built in May 1951 by Pressed Car Steel, serviced in September 1967, and runs on Bettendorf trucks. It was built as part of a 1000-car series delivered to the Pennsylvania in 1950-1951; when serviced in 1967 it received the plain-keystone paint scheme. This car was used for grain service and was fitted with paper or wooden grain door inserts.

#024 00 180...\$19.90

Ringling Bros. and Barnum & Bailey[™] Billboard Car #8

This wood-sheathed car is painted brown and features a colorful representation of an actual Ringling Bros. and Barnum & Bailey[®] poster. The decorating is based on one of the first posters designed to announce the historic union of the Ringling Brothers Circus with that of Barnum & Bailey, which took place in 1919. It embodies three main elements of the circus: beautiful performers, entertaining clowns, and magnificent animals.

Canadian Pacific Road Number CP 285611

This plug door box car with tall ladders and no roof walk is painted aluminum with red script writing and logo. It has black lettering and runs on black Bettendorf trucks. This car was among 15 built for Canadian Pacific as mechanical refrigerator cars starting in 1963. These cars could be seen behind the CP's Mandarin Orange Express. The red lettering was introduced on freight cars in the early 1960s and later replaced by CP Rail lettering.

Chester A. Arthur Presidential Car Road Number 1881-1885

This 40' standard box car with plug door and no roofwalk is car #20 of a 44-car series representing each of the presidents of the United States. It bears the portrait of our 21st president, Chester A. Arthur. The car comes with a commemorative pin replicated from this era. As Vice President, Arthur took office after James Garfield was assassinated. A champion of civil service reform, Arthur succeeded in the passing of the Pendleton Civil Service Reform Act. This was his primary achievement as President.

Oath of Office Trivia Contest Question: Which President was orphaned at the age of nine, worked in real estate as a young man with his uncle in Oregon, never attended high school but attended Stanford University?

#074 00 120...\$23.95

Great Northern Road Number Great Northern 56421

This 40' despatch stock car is painted GN 'Big Sky Blue' and large white 'Great Northern' letters with white stenciling and runs on black Bettendorf trucks. 145 single deck cars were originally built as 40' steel/wood sheathed box cars between 1937 and 1942. Built in March 1942 and rebuilt as a single deck stock car 56421 was one of the few stock cars serviced and repainted Big Sky Blue during July 1969.

#035 00 170...\$13.70

East Broad Top Road Number 161

This 30' box car with single door is painted freight car red with white shield logo with "East Broad Top" lettering and runs on brown Barber Coleman Arch Bar trucks. This car was a true transition car, being the experimental evolution from all wood to all steel construction. This particular car is a wooden structure with a steel underframe, previously a truss rod underframe. The letters 'ORB' located near the capacity weight stand for Orbisonia, PA. Their shops were also located there. The East Broad Top Herald displayed on this car was introduced in the 1940s.

#800 00 070...\$16.80

Victor Gold Mining Co. Road Number: V.G.M.Co. 350

This 30' gondola is painted yellow with "The Gold Belt Line" logo on black background on its side and runs on black Arch Bar trucks. Commonly called "coal cars" these cars were actually used for hauling ore, scrap iron, lumber and ballast as well. The city of Victor is in the heart of Colorado's gold country, near the largest gold mines in the Cripple Creek mining district. Though most of the old mines are abandoned, modern mines still operate.
