Gulf Oil
Road Numbers 20006/20008

These 56' general service tank cars are black with large orange herald and run on Barber Roller Bearing trucks. Built in 1962, these non-insulated petroleum tank car were part of the Gulf Oil 20000-20008 series. At a 20,427 gallon capacity, this car was equipped with heater coils. Gulf Oil traces its roots to 1901 when oil was discovered in Spindletop, Texas. Within 20 years, Gulf had become one of the largest oil companies in the world.

Denver & Rio Grande Western[®]
Road Number 711

This 70' heavyweight baggage car is painted in Rio Grande gold, silver and black and runs on 6-wheel passenger trucks. Re-built by Pullman in 1929 from the 900-950 series, it received many internal upgrades and new six-axle trucks. Used extensively as an end-of-train car through the 1950s, it was used temporarily as a coach during World War II, and finally retired in the early 1960s.

#147 00 160...\$34.90

Southern Pacific[®]
Road Number 97994

This 40' standard box car with single door has decorated sides with colorful banners and flags and runs on Bettendorf trucks. The 1947 Friendship Train collected food donated by Americans in cities all across the U.S. to be shipped to the people of France and Italy who desperately needed help following the end of World War II. Ultimately, over 250 railcars of food and clothing were donated.

Grand Trunk Western Road Number GTW 591590

This 50' auto box car with double side doors and end door is brown with white lettering, has the green and white maple leaf logo and runs on Bettendorf trucks. This car was used extensively throughout the Great Lakes region. GTW's trackage through Detroit and across southern Michigan made the railroad an essential link for the automobile industry in the United States.

#078 00 160...\$25.30

Denver & Rio Grande Western® Road Number D&RGW 15943

This 50' airslide hopper is orange with black lettering and runs on 100-ton Barber Roller Bearing trucks. Built in November of 1971, this car was designed for use with fine-grained commodities, like powdered sugar. A special epoxy lining prevented settling and packing en-route, which could make unloading difficult.
