Canadian Pacific Road Number CP 81038

This 50' standard box car with 8' plug door, no roofwalk and short ladders is black with aluminum roof and green sides with white lettering and runs on Barber Roller Bearing trucks. Built by National Steel Car in 1967 as part of series 80967-81216, it bears the paint scheme which was developed to help distinguish the intended service for each car class, and the pine tree logo denotes newsprint service cars.

#181 00 050...\$29.95

Railbox Road Number 40188

This 50' rib side box car with single door and no roofwalk is pink with black lettering and runs on Barber Roller Bearing trucks. Officially sanctioned by Railbox parent company TTX, an old and worn 50' boxcar was painted bright pink in support of Breast Cancer Awareness in 2017. At the unveiling ceremony on October 21st, TTX invited survivors to meet at the railcar and leave their handprints in paint on the sides of the car. This car continues to roll the rails in national boxcar pool service across the United States.

Micro-Trains will donate 10% of the proceeds of every car sold to the breast cancer fund of the American Cancer Society.

#025 00 106...\$29.95

Union Pacific[®] Road Number USAX 19419

This 50' troop kitchen car is dark green and runs on Allied Full Cushion trucks. During WWII, Union Pacific produced a variety of morale-boosting posters that depicted the railroad's involvement in supporting the war. This car's poster features a hand holding military vehicles over a train.

SPECIAL RUN CANADIAN PACIFIC (CP) 33' TWIN-BAY HOPPER W OFFSET SIDES

AVAILABLE
MAY, 2019

Back in the early part of the 20th century, these tough little hoppers carried coal across the country. They were incredibly popular in the 30's and 40's but production slowed after World War II, with better technology and demand for larger cars. While not as popular as they once were, these offset-side hoppers are still around and remain an important player in the history of railroading.
